IO STO BENE

DEVELOPMENT

A film by **Donato Rotunno**

2018 / Tarantula (LU & BE), MaxMa Film UG (DE), Vivo Film (IT)

Leo, a young Italian girl, leaves her own country in the hope to find a job and accidentally meets Antonio who is mourning for his wife Mady. While the old man is haunted by the images of his past, Leo hopes for a bright future in this new land.

WE ARE FAMILIES

DEVELOPMENT

A web documentary/transmedia project by **Caroline Fournier**

2018 / Tarantula (LU)

The world is changing, and so are families.

Is it possible to have two mommies or two daddies ? What is the difference between being a biological parent and an adoptive parent ? What is the assisted reproductive technology ?

All over the world, there are plenty of "new families".
